Subject: FW: Visit on 8/25

In discussion with Stan this morning he wanted me to reach out to you and advise that Hub will be taking care of the accommodations while you are here. I feel it would be best if you drive up Wednesday 8/24 in the afternoon and get settled in. We will be making dinner plans as well. Stan lives just a few minutes away from the hotel and will be your driver (ha-ha). Also, the traffic on Thursday afternoon will be very hectic so we want to extend the offer of staying Thursday night as well and drive home on Friday.

This is totally your call; we just want to make this as easy as possible. Please advise at your earliest convenience what you decide so that we can make appropriate arrangements.

Thanks,

Rainy, any news on if you can make this? I am not trying to be pushy but the Cyber guy is trying to coordinate with us and another client on his visit. Another thing to consider, you may want to bring your IT guy with you as I am sure it would benefit him.
